Sync your Firefox bookmarks and other data

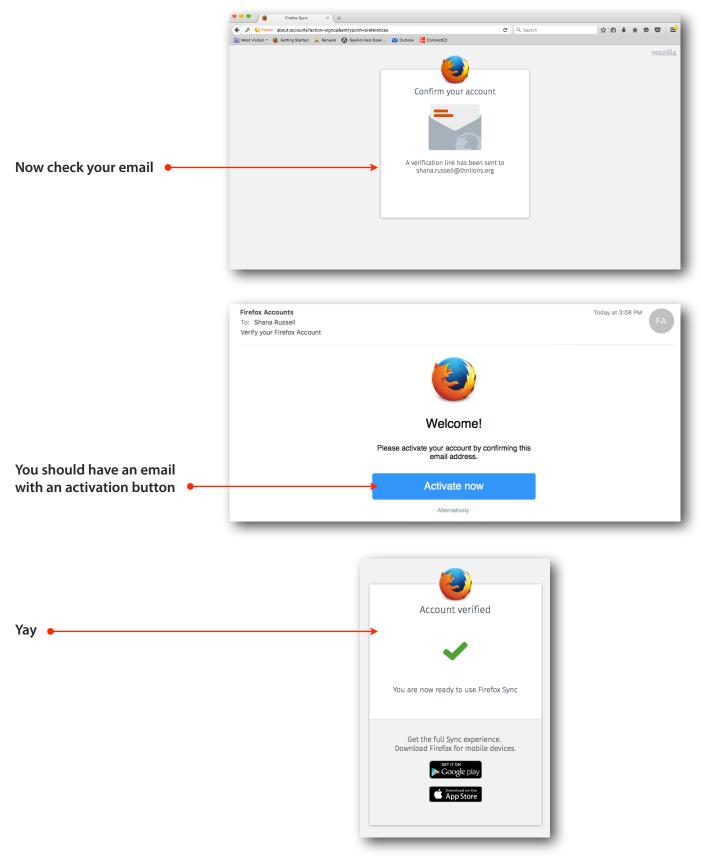

You can sync Firefox wherever you use it to access your bookmarks, passwords, tabs and more from another smartphone, tablet or computer. Syncing your bookmarks also keeps them safe if your computer is ever wiped or replaced.

	🛄 General Q Search	Sync		
Click create account •	Content	Take your Web with you Synchronize your bookmarks, history, tabs, passwords, add-ons, and preferences		
	🗢 Privacy	across all your devices.		
	🚺 Sync	Create Account Sign In		
		Download Firefox for I Android or 🍏 iOS to sync with your mobile device.		

	Firefox about:accounts?action=signup&entrypoint=preferences		C Search	☆ 🛛 🖡 🎓 🗢 🚍 🚍
	🔯 Most Visited 👻 🧶 Getting Started 🌙 Renweb 🔕 SysAid Help Desk .	💟 Outlook 🛛 📅 ConnectED		
Fill in your information •		Create a Firefox Account to continue to Firefox Sync		mozilla
		Password Sh	ow	
		How old are you?		
		By proceeding, you agree to the <u>Terms of Service</u> <u>Privacy Notice</u> of Firefox cloud services. Send me the monthly Firefox newsletter.		
		Create account		
		Have an account? Sign in.		

Now your firefox data is syncing. You can sign in to firefox on another computer and your data will be the same on both.

If your computer is ever wiped or replaced, you can just sign in to Firefox with this account and your bookmarks and other firefox data will appear.
